

Please sign and return the attached slip to Riley D'Alba prior to your child's first library visit.

Without this slip your child will not be able to sign out a book under the supervision of the park counselors. Thank you in advance for your cooperation!

I give my child, _____, permission to sign out a book from the Haxton Memorial Library with his/her library card, if he/she chooses to do so. I accept the responsibility of caring for and returning the book to the library.
