MIKE DILCHER, RESIDENT

Mr. Dilcher was under the impression that a Representative from County Planning would be here; where does his water application stand?

Mr. Oltamarino, from County Planning contacted the Town Clerk and asked when Mr. Dilcher received his building permit. The Town Clerk has to ask the Code/Zoning Officer for that information.

Superintendent Dennis read paragraph 7 from the Lateral Restrictions resolution; and County Attorney Earl to look into this paragraph for clarification. Mr. Earl stated he will.

The Town received a letter from the state that Mr. Dilchers land has been removed from the Ag District.

The Town is having issues with the Smart Growth Plan as it is not consistent for all.

COUNTY REPRESENTATIVES—WATER SUPPLY AGREEMENT

The Town requests a separate agreement from the Village.

Superintendent Hens stated that the Town would have to install master meters at the municipal boundaries. Which would mean we would have to bill our own. Master meters don't effect O&M.

Superintendent Dennis stated that the issue is the \$40 a quarter charge.

With Sales Tax tied to this agreement, the Town does not want others (Village) controlling if we get our Sales Tax money.

The Attorney stated that the Town cannot be held to a contract that we have no control.

CODE/ZONING OFFICER

Mr. Mikolajczyk's report has been filed in the Town Clerk's office.

ASSESSOR

The money for the Water District fees needs to be returned to the residents; the Village was to credit the water bill but now they say that will be too complicated. The Assessor and Town Clerk will work on this over the next couple of months. Not having the funds credited to the water bills will be a very time consuming task.
